Manchester Message

Where to get help:

If you or people you know witness any hate crime, such as racism, please contact Greater Manchester Police by calling 101 or going to a police station. Further details can be found on GMP's website.

If you are scared or need help for you or your community, please contact us on community@manchester.gov.uk. You won't have to give your name and anything you say will be kept safe.

As a city we will continue to monitor this situation very carefully , acting on information and working very closely with the police.
